Sir,

I have the honor to state that the temple of Sreeleelakataramanaswami at Devarayagudda in the Bagepally Taluq is a Muzarai Institution endowed with a cash Cowle of Rs 17-7-0 per annum. This amount being insufficient to defrary all the expenses of

of the temple which is rising in importance the devotees are annually paying a — Voluntary Contribution of Rs 235/- to Supplement the income of the institution.

2 Besides these two items, the temple has another source of income, viz, from the levy of fees on cattle, during the — annual jatra and this comes to Rs 450/- per year.

3. Thus, in all, the temple is in receipt of an average sum of Rs 7000/- per year.

4. The expenditure of the temple has been fixed at Rs 239—0—3 by Government in Proceedings No. 908—9/12—98 and 4115—6, dated 28—10—03 and 27—5—05 respectively, the balance is being deposited year after year, in the Taluq Savings Bank at the credit of the temple, to be utilized for works of a permanent nature.

5. In connection with an estimate

of Rs 100/- sanctioned by Government for removing silt from the well in the temple, the Comptroller in his &c. 6429 of 9-5-05 copy of which is herein enclosed for ready reference, gave instructions to withdraw the amount from the Savings Bank and credit it to the funds of the institution before a measurement bill could be sent to him. The Amildar instead of withdrawing only the amount of the estimate withdrew by mistake, the whole amount from the Savings Bank and credited it into the treasury.

6. The amildar in submitting a copy of the Statement submitted to you in accordance with instructions contained in your circular No. 1102-10 dated 17-8-06 now reports (1) that the receipts of the temple subsequent to the date of the withdrawal of the amount from the Savings Bank, are

being

being invested again in Savings Bank in account No. 298, as requested by the temple Committee who urged that this income was contributed by the devotees, (2) that the sum so invested upto 20th August 1906, amounts to Rs 1386-2-1, (3) and that out of this, a sum of Rs 720-6-3, together with Rs 4279-9-9 being the amount in the Treasury at the credit of the institution, making in all a total sum of Rs 5000/-, may be invested in Mysore Government Debentures.

7. At present the large amount in the Treasury does not fetch any income to the temple and I would therefore recommend in the interest of the institution that the Rs 5000/- above referred to, may be invested in the purchase of Mysore — Government 4 P. C Debentures now called for by Government or in Government of India promissory
8. In the case of the Chikka Tirupathi temple, in the Malur Taluq, the —
Government

Government in their Proceedings No.
3531-2 dated 18-6-04 have shewn the
Concession of allowing such sum as being
invested in Government of India promotes
